Dear Sir:

Introductory Comments

In response to the Notice of Non-Compliant Amendment dated December 21, 2004, with a statutory period of response set to expire January 21, 2005, applicant responds as follows:

The examiner indicated that claim 1 attempts to delete a semicolon by strikethrough, but such a strikethrough is not easily perceived. Applicant has corrected all deletions of punctuation marks by use of double brackets [[]] in compliance with MPEP §714.

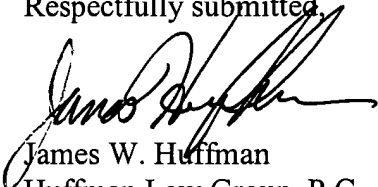

The examiner further indicated that use of strikethrough for portions of words (such as in claim 2) is not easy to perceive. Applicant has corrected such strikethroughs of portions of words.

Applicant has further reviewed amendments to all claims and insure clarity of all punctuation issues.

Applicant is therefore submitting herewith a substitute of the entire section entitled Amendment to the Claims.

Applicant earnestly requests the examiner to telephone him at the direct dial number printed below if the examiner has any questions or suggestions concerning the application.

Respectfully submitted,
